

T. ALAN DEMCO

Thomas Alan Demco, M.D., F.R.C.S.(C)
BORN: August 12, 1942 in Edmonton, Alberta

EDUCATION:

1964 Graduated with Bachelor of Arts in Zoology from the University of Washington, Seattle, Washington

1968 Graduated with Medical Doctorate Degree from the University of British Columbia School of Medicine

1968 - 1969 Completed Rotating Internship at Vancouver General Hospital with a special interest in Surgery

1972 Completed Residency in Ophthalmology at the University of British Columbia School of Medicine

1972 - 1973 Completed Residency year of General, Plastic and Neurosurgery training at Vancouver General Hospital

1973 Completed Stanford University Medical Center Basic Science Course in Ophthalmology

1973 Obtained Fellowship Standing in Ophthalmology from the Royal College of Physicians and Surgeons of Canada

1974 Obtained Standing as Diplomat of American Board of Ophthalmology

1974 - 1975 Completed Residency year in Plastic and General Surgery at the Stanford University Medical Center

PUBLICATIONS:

1. Demco, T.A. Thesis: "The Chamberlain and the Obstetrical Forceps". Woodward Biomedical Library, University of British Columbia. June 1968.

ORGANIZATIONS:

1. Member of Canadian Medical Association
2. Member of British Columbia Medical Association
3. Member of British Columbia Society of Eye Physicians and Surgeons
4. Member of Public Relations Committee of the British Columbia Society of Eye Physicians and Surgeons
5. Member of Lower Mainland Journal Club
6. Member of Royal College of Physicians and Surgeons of Canada
7. Member of Canadian Ophthalmological Society
8. Member of American Board of Ophthalmology
9. Member of College of Physicians and Surgeons of British Columbia
10. Licentiate of the Medical Council of Canada
11. Charter Member of the Canadian Society of Oculoplastic Surgery
12. Canadian Association of Photorefractive Surgeons
13. American Society of Cataract and Refractive Surgery

PRESENTATIONS AND LECTURES: "Selected List"

1. May 1, 1978. Host to the visiting guest speaker and presentation of the introductory remarks to present the speaker to the assembly. British Columbia Ophthalmological Society Meeting.
2. June 8-11, 1980. Presentation of paper "Blepharoplasty Surgery. Pitfalls and their Avoidance". Ophthalmic Plastic Surgical Symposium. Forty-Third Annual Meeting of Canadian Ophthalmological Society. Hotel Vancouver. Vancouver, British Columbia.
3. June 8-11, 1980. Presentation of paper on orbital Fractures to general assembly. The Forty-Third Annual Meeting to Canadian Ophthalmological Society. Hotel Vancouver. Vancouver, British Columbia.
4. January 21, 1981. "Cosmetic and Ophthalmic Plastic Surgery". Lecture to public as part of Info/Health program. Vancouver Community College Continuing Education Department in conjunction with Vancouver Medical Association.
5. April 23, 1981. participant in the Canadian National Institute for the Blind. Continuing Medical Education Programme for General Practitioners.
6. June 26, 1983. Canadian Ophthalmic Plastic Surgical Society Meeting Guest Speaker. "Reverse Intubation of the Lacrimal System".
7. June 27, 1983. Canadian Ophthalmological Society. Continuing Education for Family Practitioners. Guest Speaker. "The Management of Ocular Trauma".
8. June 27, 1983. Canadian Ophthalmological Society Continuing Education Program for Family Practitioners. Guest Speaker and Program Coordinator. "Cataract Surgery and Intraocular Lenses".
9. October 26, 1983. Twenty-Ninth Annual St. Paul's Hospital Continuing Medical Education Course. Guest Lecturer. "Cataract Surgery and Intraocular Lens Implantation - An Update".
10. November 2, 1983. "The Assessment of Initial Management of Ocular Trauma" and "Video Display Terminals and the Eye". Registered Nurses Association of British Columbia. Occupational Health Nurses Seminar. Guest Speaker.

T. ALAN DEMCO (continued)

11. February 4-6, 1984. Participant and speaker. First Annual Outpatient Ophthalmological Surgery Seminar. Gimbel Eye Foundation. Calgary, Alberta.
12. April 26, 1984. Guest Speaker. British Columbia Provincial Health Sexually Transmitted Disease Clinic. "Herpes and the Eye - An Update".
13. May 17, 1984. "Reverse Probe Loading - An Improved Technique for Lacrimal System Intubation". International Ophthalmic Exchange Programme. The Karnlinska Institute. Stockholm, Sweden.
14. November 25, 1984. Guest Speaker. "Medical Aspects of Contact Lenses". West Coast Contact Lens Symposium. Robson Square Media Centre. Vancouver, British Columbia.
15. March 20, 1985. Guest Speaker. Department of Surgery Rounds. St. Paul's Hospital. "Emergency Eye Surgery". Vancouver, British Columbia.
16. May 2, 1985. Guest Speaker. National Ophthalmic Speakers Programme. "Manual Extracapsular Cataract Surgery". Yorkville Hotel. Toronto, Ontario.
17. November 1985. Mock Oral Examination in Ophthalmic Plastic Surgery. Senior Ophthalmology Residents University of British Columbia Programme.
18. February 23-24, 1986. Videotape Presentation. Third Annual Outpatient Ophthalmologic Surgery Seminar. Gimbel Eye Foundation. "Levator Plication - A Technique of Adjustable Blepharoptosis Repair". Calgary, Alberta.
19. June 22, 1986. "Levator Plication - On the Table Adjustable Ptosis Surgery". Canadian Oculoplastic Study Group. Hotel Vancouver. Vancouver, British Columbia.
20. September 20, 1986. Guest Speaker. "The Use of Viscoelastic Substances in Ocular Surgery". Vancouver Island Ophthalmological Society Clinical Meeting. Coast Bastion Hotel. Nanaimo, British Columbia.
21. March 6, 1986. Guest Speaker to University of British Columbia Department of Otolaryngology Resident Training Program. "Orbital Floor Fractures - Their Diagnosis and Management". St. Paul's Hospital. Vancouver, British Columbia.
22. September 18-20, 1987. Guest Speaker. "Cataracts and Cataract Surgery". Lake Okanagan Resort. Kelowna, British Columbia.
23. March 18, 1988. Guest Speaker, 1988 Spring Clinical Day and A.J. Elliot Lecture. "Management of Lacrimal Excretory Trauma". Vancouver, British Columbia.
24. May 29, 1988. Guest Speaker. Workshop on Ocular Surgery for Operating Room Nurses. Tenth National Conference of Operating Room Nurses of Canada. Pan Pacific Hotel. Vancouver, British Columbia.
25. February 18, 1989. Guest Speaker. Phacoemulsification Seminar and Wet Lab. Continuous Tear Capsulotomy". Westin Bayshore Hotel. Vancouver, British Columbia.
26. October 15, 1989. Guest Speaker. Holy Trinity Ukrainian Orthodox Cathedral Congregation. "Cataract Surgery". Holy Trinity Ukrainian Orthodox Cathedral, Vancouver, British Columbia.
27. November 18, 1989. Faculty Speaker. University of British Columbia Continuing Medical Education Seminar. Emergency Eye Care for the Family Physician. "Eyelids and Lacrimal Trauma". University of British Columbia and Vancouver General Hospital Eye Care Centre. Vancouver, British Columbia.
28. December 8, 1989. Faculty Speaker. University of British Columbia, Department of Ophthalmology, Resident's Seminar Program. "The Management of Anterior Segment Trauma". University of British Columbia and Vancouver General Hospital Eye Care Centre. Vancouver, British Columbia.
29. February 11, 1990. Guest Speaker. Cataract Surgery and Post-Surgical Care. British Columbia Association of Optometrists Annual Meeting and Continuing Education Seminar. Westin Bayshore Hotel. Vancouver, British Columbia.
30. April 7-8, 1990. Chairman. Alcon Western Canada Phacoemulsification Seminar and Wet Lab. Westin Bayshore Inn. Vancouver, British Columbia.
31. April 8, 1990. Faculty speaker. Continuous Tear Capsulotomy. Alcon Western Canada Phacoemulsification Seminar and Wet Lab. Westin Bayshore Inn. Vancouver, B.C.

T. ALAN DEMCO (continued)

32. October 31, 1990. Program Participant. American Academy of Ophthalmology Annual Meeting. "Typical Flurbiprofen and Indomethacin Inhibit Postoperative Cystoid Macular Edema". Atlanta, Georgia.
33. 1990 - University of British Columbia School of Medicine. Seminar Co-coordinator. Department of Ophthalmology Resident Rounds in Ophthalmic Plastic Surgery. Eye Care Centre. Vancouver, British Columbia.
34. February 2, 1991. Chairman. Alcon First National Master Club Meeting. Symposium on Cataract Surgery. Chateau Lake Louise. Lake Louise, Alberta.
35. May 25, 1991. British Columbia Society of Eye Physicians and Surgeons Phacoemulsification Workshop. Workshop demonstrator. Hotel Vancouver. Vancouver, British Columbia.
36. September 6, 1991. Clinical Instructor. Phacoemulsification Workshop for University of British Columbia Department of Ophthalmology Residents and Fellows. Eye Care Centre. Vancouver, British Columbia.
37. March 6, 1992. Faculty speaker. The Technique of Continuous Care Capsulotomy. Chateau Lake Louise. Lake Louise, Alberta.
38. March 7, 1992. Panel participant on Cataract and Cataract Surgery. Alcon Master Club Meeting. Lake Louise, Alberta.
39. June 24, 1993. Guest Speaker. Foldable Intraocular lens - a New Era. British Columbia Operation Room Ophthalmic Nurses Special Interest Group. St. Vincent's Hospital. Vancouver, British Columbia.
40. November 20 - 23, 1993. American Academy of Ophthalmology Annual Meeting. Chicago, Illinois.
41. November 16, 1993. Hoffer phacoemulsification course. Chicago, Illinois.
42. March 4, 1994. Phacoemulsification - my technique. Fourth Annual Alcon Master Club Meeting. Key Largo, Florida.
43. March 5, 1994. Clinical experience with the Alcon Series 20000 Legacy Unit. Fourth Annual Alcon Master Club Meeting. Key Largo, Florida.
44. March 19, 1994. Small Incision Phacoemulsification Course with Dr. D. Serafino. My impression of the new Series 2000 Legacy and its application to Phacoemulsification technique. Coast Hotel at Stanley Park. Vancouver, British Columbia.
45. April 9, 1994. Medicopea - Ophthalmic Advisory Panel Meeting. Phacoemulsification, current techniques, future trends and recommendations regarding new technology. Boston, Massachusetts.
46. March 28, 1995. Lecture to Mount Saint Joseph Hospital Department of Family Practice. "Common Office Ocular Conditions - How To Stay Out Of Trouble And Avoid Problems". Vancouver, British Columbia.
47. June 26, 1995. Lecture to Canadian Ophthalmological Society Scientific Section Number 2 - Cataract/IOL/Phaco Symposium. "Avoiding Complication in Phacoemulsification Surgery". Victoria Conference Centre. Victoria, British Columbia.
48. September 8, 1995. Phacoemulsification Course and Wet Lab for University of British Columbia School of Medicine Department of Ophthalmology Resident Staff. Eye Care Centre Wet Lab. Vancouver, British Columbia.
49. March 18, 1996. Capsulorrhexis - Technique and Tips on Success. Cataract Surgery Section. 6th Annual Master Club Meeting. Scottsdale, Arizona.
50. May 7, 1996. Office Ophthalmology for the Family Doctor - How to Stay Out of Trouble. Mount Saint Joseph Hospital Department of Continuing Education. General Practitioner Guest Lecturer. Vancouver, British Columbia.
51. September 6, 1996. Program Coordinator. University of British Columbia School of Medicine Department of Ophthalmology. Seminar and workshop on phacoemulsification. Vancouver Hospital and Health Sciences Centre/University of British Columbia Eye Care Centre. Vancouver, British Columbia.
52. March 13, 1996. Guest Speaker. Common ocular problems and emergencies and how to deal with them in the Primary Care Physician's office. Merck Frost Continuing Education Program for Primary

T. ALAN DEMCO (continued)

Care Physicians. Perry's Restaurant. Port Moody, British Columbia.

53. December 17, 1996. Guest Speaker. Mt. St. Joseph Hospital Department of Family Practice Continuing Education. Common Eye Problems. Delia Tetrault Hall. Mt. St. Joseph Hospital. Vancouver, British Columbia.

54. April 26-30, 1997. Poster Presentation. Diclofenac 0.1% Versus Prednisolone Acetate 1% in the Control of Postoperative Inflammation After Phacoemulsification. American Society of Cataract and Refractive Surgery. Hynes Convention Center. Boston, Massachusetts.

55. June 13-15, 1997. Poster Presentation. Diclofenac 0.1% Versus Prednisolone Acetate 1% in the Control of Postoperative Inflammation After Phacoemulsification. Canadian Ophthalmological Society Annual Meeting. Quebec City Convention Centre, Quebec City, Quebec.

56. January 27, 1998. New technology in Ophthalmology - How Computers Can Help You With Your Practice. Chara Health Care Society Continuing Education Program. St. Vincent's Hospital. Vancouver, British Columbia.

57. February 27, 1998. University of British Columbia. Department of Ophthalmology School of Medicine Symposium on Comprehensive Ophthalmology. "Use of Emla Cream in Ophthalmic Block Anesthesia" U.B.C./VHHSC Eye Care Centre. Vancouver, British Columbia.

58. June 30, 1998. Chara Medical Education Rounds. Practical Ophthalmology for the Family Physician. Department of Family Practice Continuing Medical Education Rounds. Chara Medical Society. Vancouver, British Columbia.

59. January 12, 2001. Medical student small group teaching. U.B.C./VHHSC Eye Care Centre. Vancouver, British Columbia.

60. February 14, 2004. Moderator. Modern Concepts in Cataract Surgery 2004. Providence Health Care Department of Ophthalmology and British Columbia Society of Eye Physicians and Surgeons. Saint Paul's Hospital. Vancouver, British Columbia.

61. April 2, 2004. Moderator. ReStor Lens, Infinity Unit and Interesting Clinic Cases. James Davidson Presentation. University of British Columbia Department of Ophthalmology Grand Rounds. U.B.C./V.G.H. Eye Care Centre. Vancouver, British Columbia.

62. 2013 April 13. Lower Mainland Journal Club Meeting. Preparation for presentation. Journals: 2013 January. P.D. Chubb Residence. West Vancouver, British Columbia.

FILMS AND VIDEOTAPES:

1. November 1984. Levator plication - new technique for quantitative blepharoptosis surgery under local anesthesia. Video format. Shaughnessy Hospital.

2. March 14, 1987. "Doctor Doctor" a public education medical television series sponsored by the B.C. Medical Association. Presentation on cataracts and cataract surgery. Vancouver, British Columbia.

3. February 17, 1989. Continuous Tear Capsulotomy. Video Format. Vancouver, British Columbia.

4. February 1993. Management of the Cortex with Phacoemulsification. Video format with audio narration. 40 minutes.

5. March 18, 1996. Capsulorrhexis - Technique and Tips on Success.

6. March 18, 1996. Capsulorrhexis Complications and How to Avoid Them.

SCIENTIFIC POSTERS:

1. October 31, 1995 - November 2, 1995. "Topical Diclofenac Versus Prednisolone Acetate in the Control of Inflammation after Phacoemulsification". American Academy of Ophthalmology Annual Meeting. Atlanta, Georgia.

2. March 15, 1996. Twelfth Annual Research Day. University of British Columbia Department of Ophthalmology. "Double Masked Clinical Trial Between Diclofenac Sodium 0.1% Eye Drops and Prednisolone Acetate 1.0% Ophthalmic Suspension in 80 Subjects Following Phacoemulsification and Intraocular Lens Implantation to Compare Efficacy, Safety, and Local Tolerance".

T. ALAN DEMCO (continued)

3. June 13 - 16, 1997. Canadian Ophthalmological Society Annual Meeting. "Double Masked Clinical Trial Between Diclofenac Sodium 0.1% Eye Drops and Prednisolone Acetate 1.0% Ophthalmic Suspension in 80 Subjects Following Phacoemulsification and Intraocular Lens Implantation to Compare Efficacy, Safety, and Local Tolerance". Quebec City, Quebec.
4. October 26, 1997. Potter, Michael M.D., Demco, T. Alan M.D., Milam, A Ph.D. and Thirkell, Charles E. Ph.D. Characterization of Clinical and Immunologic Findings in a Case of Melanoma-Associated Retinopathy (MAR) Syndrome. American Academy of Ophthalmology Annual Meeting. San Francisco, California.

RESEARCH:

1. June 1971 - June 1972. Clinical research in eye changes in corneal disease. Vancouver General Hospital, Vancouver, B.C.
2. 1978 - present. Clinical anatomical dissection of the eyelids and orbit. Shaughnessy Hospital, Vancouver, B.C.
3. 1980 - present. Microsurgical Workshop in surgical techniques with resident staff. Shaughnessy Hospital, Vancouver, B.C.
4. 1986. Clinical evaluation of tinted hyaluronic acid in anterior segment surgery. For Pharmacia Ophthalmics, Uppsala, Sweden.
5. 1986 - present. A comparison of Flurbiprofen, Indomethacin and Fluribprofen Vehicle for the Prevention of Pseudophakic Cystoid Macular Edema and Postoperative Inflammation. Study Flur-120-7476
Allergan Pharmaceuticals, Inc.
2525 Dupont Drive
Irvine, California 92715
6. 1988. A Clinical Study Evaluating the Ocular Safety and Efficacy with the Concomitant Use of 0.3% Ofloxacin Solution and 0.3% Ofloxacin Ointment in Subjects with an External Ocular Infection. Study No. QUIN-112-7651
Allergan Pharmaceuticals, Inc.
2525 Dupont Drive
Irvine, California 92715
7. Clinical Trial V-ON.Am/94-01-C. Double masked clinical trial between Diclofenac Sodium 0.1% eye drops and prednisolone acetate 1.0% Ophthalmic suspension in 80 subjects following phacoemulsification and intraocular lens implantation to compare efficacy, safety and local tolerance. CIBA Vision.
8. 1999/2000. Clinical participant. Regional Evaluation of Surgical Indications and Outcomes with cataract surgery. Vancouver/Richmond Health Board.
9. July 1, 2002 - January 31, 2003. Lumigan Early Experience Data Trial. Open-label, non-comparative clinical evaluation of ten patients with open-angle glaucoma or ocular hypertension requiring treatment for elevated intraocular pressure.
Trial sponsor
Allergan, Inc.
110 Cochrane Drive
Markham, Ontario
L3E 9S1
10. September 1, 2002 - present. Clinical experience and indications for the use of Healon 5. Novartis Pharmaceuticals.
11. March 9, 2004 - July 30, 2004. R.E.S.P.E.C.T. Dry Eye Trial. Refresh Endura Satisfaction of Patients Experience when switched from Current non-preserved tear Trial.
Trial sponsor
Allergan Inc.
110 Cochrane Drive,
Markham, Ontario
L3E 9S1
12. June 1, 2004 - present. Ketotifen Fumarate Ophthalmic Solution Study. Nonmasked open label clinical trial for allergic conjunctivitis.
Trial sponsor
Novartis Ophthalmic
Novartis Pharmaceuticals Canada Inc.
Mississauga, Ontario
L5N 2X7
13. December 1, 2004 - 2005. Clinical Protocol. Phase IV study. Comfort and Relief Evaluation

T. ALAN DEMCO (continued)

of Systane. (C.A.R.E.S.). Study of the efficacy of SYSTANE in relieving signs and symptoms of moderate to severe dry eye patients.

14. May/June 2005. GenTeal Patient Satisfaction Clinical Trial. Open label clinical evaluation of GenTeal artificial tears treatment for ocular dryness. Novartis Ophthalmic.

15. June 8, 2005. C.E.E.D. (Combigan Early Experience Data) II Trial. Open label clinical assessment of Combigan for the reduction of intraocular pressure for open angle glaucoma or ocular hypertension. Allergan.

16. Fall 2005. Educational Assistance for Glaucoma and Lumigan Eye-Care. Eagle. Allergan Canada Ophthalmic.

17. 2006 In-office Assessment of the Travalert Dosing Aid. Open Study. Alcon Canada.

TEACHING APPOINTMENTS:

1. Clinical Instructor. University of British Columbia School of Medicine. Vancouver, British Columbia. Appointment Commenced Spring 1987.

2. Assistant Clinical Professor. University of British Columbia School of Medicine. Vancouver, British Columbia. Appointment commenced Spring 1993.

3. Fall 1993. Director of Microsurgical Laboratory. University of British Columbia School of Medicine. Eye Care Centre. Vancouver, British Columbia.

4. November 1, 1994. Clinical Instructor. American Academy of Ophthalmology Hands On Course in Advanced Phacoemulsification. San Francisco, California.

5. May 20, 1997. Chairman. Mount Saint Joseph Hospital Department of Continuing Education. The New Curriculum for University of British Columbia School of Medicine. Vancouver British Columbia.

6. December 22, 1998. Chairman. Chara Health Care Society Medical Education Rounds. What to do if faced with Medical Malpractice Litigation and How to avoid it. Scott Fleming. Harper Grey Easton.

7. January 27, 1999. University of British Columbia School of Medicine. Second year medical student

small group teaching. University of British Columbia/Vancouver General Hospital. Vancouver, British Columbia.

8. January 7, 2000. University of British Columbia School of Medicine. Second year medical student small group teaching. University of British Columbia/Vancouver General Hospital. Vancouver, British Columbia.

9. November 21, 2001. Undergraduate Medical Student Small Group Clinical Skill Sessions. Eye Care Centre. Vancouver, British Columbia.

10. November 20, 2002. University of British Columbia Second Year Medical Student INDE 420 Ophthalmology Clinic Skills 2002-3. Two sessions. Eye Care Centre. Vancouver, British Columbia.

11. August 16, 2003. University of British Columbia Medical School Third Year Objective Structured Clinical Examination (OSCE) Examiner. Vancouver General Hospital Nurse's Residence. Vancouver, British Columbia.

12. November 12, 2003. Interdepartmental (INDE) 410/420 Clinical Skills Tutor. Office of Dr. T. Alan Demco. Vancouver, British Columbia.

13. July 1, 2004. Clinical Associate Professor. University of British Columbia School of Medicine Department of Ophthalmology and Visual Sciences

14. November 26, 2004. Interdepartmental (INDE) 410/420 Clinical Skills Tutor. Office of Dr. T. Alan Demco. Vancouver, British Columbia.

15. January 21, 2005. Crofton House School Science Fair Section Advisor. St. Paul's Hospital Eye Clinic. Vancouver, British Columbia.

16. August 12, 2006. University of British Columbia School of Medicine. Third Year Objective Structured Clinical Examination (OSCE) Examiner. British Columbia Children's Hospital. Vancouver, British Columbia.

17. January 17, 2010 University of British Columbia School of Medicine. Fourth Year Objective Structured Clinical Examination (OSCE) Examiner. British Columbia Children's Hospital. Vancouver, British Columbia.

18. September 11, 2010. BC-PIP MCCQE Part II Exam

T. ALAN DEMCO (continued)

Preparation Course. Children's Hospital. Vancouver, British Columbia

19. December 1, 2010. INDE 420 Clinical Skills. University of British Columbia School of Medicine. Second year student group. 950 - 943 West Broadway, Vancouver, British Columbia.
20. December 8, 2010. INDE 420 Clinical Skills. University of British Columbia School of Medicine. Second year student group. 950 - 943 West Broadway, Vancouver, British Columbia.
21. September 17, 2011. 2011 BC-PIP MCCQE Part II Exam Preparation Course. Freedman Building University of British Columbia Vancouver Campus. Vancouver, British Columbia.
22. November 28 / December 5, 2012. INDE 420 Clinical Skills. University of British Columbia School of Medicine. Second year student group. 950 - 943 West Broadway, Vancouver, British Columbia.
23. January 1/December 31, 2013. University of British Columbia Third and Fourth Year student teaching. 950 - 943 West Broadway, Vancouver, British Columbia.

COMMITTEES, OFFICES AND APPOINTMENTS;

1. Instructor of Paramedical Education at Stanford University Medical Center. 1974 - 1975.
2. October 1978. The First East Grinstead Study Course in Ophthalmic Plastic Surgery. This course was by application and I was the representative chosen from Canada. The course was given at the Queen Victoria Hospital, East Grinstead, Sussex, England. This was the Ophthalmic Plastic and Surgical Unit used during the Second World War.
3. 1983. Director of Emergency Eye Care Services at Children's Hospital. Vancouver, British Columbia.
4. 1983 - present. Member of the Public Relations Committee of the British Columbia Society of Eye Physicians and Surgeons.
5. May 13-23, 1984. Invited Participant and Canadian Representative of Pharmacia Ophthalmic International Exchange Program. Uppsala, Sweden.
6. July 1984 - present. Chairman of the Public Relations Committee of the British Columbia Society

of Eye Physicians and Surgeons.

7. May 16-18, 1985. Chairman and Programme Co-ordinator. B.C. Society of Eye Physicians and Surgeons. Symposium on Extracapsular Cataract and Keratorefractive Surgery. Empress Hotel. Victoria, British Columbia.
8. June 15, 1985. Co-ordinator of Symposium on YAG Laser Surgery. Vancouver, British Columbia.
9. 1985 - 1990. Treasurer. Mount Saint Joseph Hospital Eye Society.
10. March 20-22, 1986. Program Chairman. British Columbia Society of Eye Physicians and Surgeons Annual Meeting. Robson Square Media Center. Vancouver, British Columbia.
11. 1986. Annual Meeting Program Co-chairman. Canadian Society of Oculoplastic Surgery. Vancouver, British Columbia.
12. November 22 - December 26, 1986. Preceptor in ophthalmic plastic surgery. Minifellowship designed for the practicing ophthalmologist. Vancouver, British Columbia.
13. January 19-31, 1987. Preceptor for University of Saskatchewan medical student elective in ophthalmology. Vancouver, British Columbia.
14. March 7-8, 1987. Workshop Instructor for IOLAB. "A Comprehensive Course in Phacoemulsification Cataract Extraction Techniques". Hyatt Regency Hotel. Vancouver, British Columbia.
15. September 4 - October 2, 1987. University of British Columbia Medical School. Third Year Ophthalmology Clinical Course. Eye Care Centre. Vancouver, British Columbia.
16. 1987 Spring. Clinical Instructor. University of British Columbia School of Medicine. Vancouver, British Columbia. Appointment Commenced Spring 1987.
17. 1988. British Columbia Society of Eye Physicians and Surgeons. Relative Fee Value Schedule Committee.
18. February 18, 1989. Chairman Phacoemulsification Seminar and Wet Lab. Westin Bayshore Hotel. Vancouver, British Columbia.
19. September 29, 1991. Executive Member. Alcon

T. ALAN DEMCO (continued)

Master Club. Westin Hotel. Ottawa, Ontario.

20. July 1, 1992. Round Table Participant. Quality and Standard of Cataract Surgery Symposium. Banff, Alberta.

21. September 3, 1992. Lecturer and instructor at the Annual University of British Columbia School of Medicine Ophthalmology Resident Phacoemulsification Course. Eye Care Centre. Vancouver, British Columbia.

22. 1990 - present. Executive Member Alcon Master Club Board of Directors.

23. Fall, 1992 - present. U.B.C. Department of Ophthalmology Quality of Care Cataract Committee.

24. Fall, 1992 - 1996. Mt. St. Joseph Hospital Medical Quality Assurance Committee.

25. September, 1992 - present. St. Paul's Hospital Department of Ophthalmology Medical Audit Committee.

26. 1993 Spring. Assistant Clinical Professor. University of British Columbia School of Medicine. Vancouver, British Columbia.

27. June 28, 1993. Allergan Small Incision Cataract Surgery Advisory Panel Meeting. Queen Elizabeth Hotel. Montreal, Quebec.

28. September 10, 1993. University of British Columbia School of Medicine Department of Ophthalmology Phacoemulsification Course for residents. Vancouver, British Columbia.

29. September 11, 1993. Faculty Speaker. Workshop on phacoemulsification for the surgeon in transition. Eye Care Center. Vancouver, British Columbia.
